

Culture of Generosity

Joyfully giving our time, talent and money to do Christ's work:

How we view it.

How we talk about it.

Where we give.

Why we give.

Ways we give.

SEMINARS

In today's ever-evolving culture, it is important for churches to develop creative and comprehensive annual stewardship programs. These are not one time, fall events but rather ongoing, year-round initiatives that keep members challenged and engaged. For these programs to be most effective, they must be able to reach across all generations and utilize a variety of communication approaches.

You are invited to participate in an interactive workshop in which you will get hands on participation in developing a Culture of Generosity for the context of your local congregation
