

## **Presbytery Parish Committee**

### **Proposed Committee Description**

1. Purpose:

In biblical times, and throughout the history of the Christian Church, God has often taken action to renew and reshape the church for a new day. The exile was a particularly dark time in the history of God's people. It was during the darkest days of the exile that the prophet Isaiah spoke for God a message that renews the hope of God's people for renewal:

**Isaiah 42:9-10, 14**

v. 9: See, the former things have come to pass,  
and new things I now declare;  
before they spring forth,  
I tell you of them.  
v 10: Sing to the LORD a new song,  
his praise from the end of the earth!  
Let the sea roar and all that fills it,  
the coastlands and their inhabitants...  
  
v. 14: For a long time I have held my peace,  
I have kept still and restrained myself;  
now I will cry out like a woman in labor,  
I will gasp and pant.

Just as God renewed the church in days of old, God does so again and again. This is why the motto of the Presbyterians and all Reformed churches has been *The Church, reformed and always reforming*.

Listening to the Spirit's call for a new song (singing of the new thing God is birthing among us now), we seek through prayer and commitment to reshape the way our presbytery prays and plans for the strength and renewal of the churches in the villages of the presbytery. The Parish Committee will be a praying and planning committee of the presbytery comprised of members from the village churches to help strengthen the village churches and the whole presbytery.
