Tribute to Rev. Alice Green

Hello, Friends and Relatives of Alice,

It seems spring is around the corner in Alaska - days are noticeably longer, trees are budding out, grass is greening, temperatures are above freezing! It's hard to believe Alice died nearly 6 months ago.

I, actually, my daughter Sarah, is going to create a visual tribute to Alice that can be shown at her memorial which is tentatively scheduled for her 104th birthday, Wednesday, July 21st.

We would like your input for this video, one of the following or all:

- 1) Can you think of five adjectives or short phrases to describe Alice and explain why you chose them?
- 2) Do you have a favorite memory of Alice?
- 3) Do you have a picture you want to share?

Now comes the trickier part.

Will you record this on your phone and send it to Sarah as a text message? Her number is: (347) 901-2005. Or you can email it to her: sarah.combs2@gmail.com. She is willing to help you do this if you cannot self-record or have someone who can record you. If you are in Anchorage, I can come to record you. Or, you can write out your thoughts and send them to me as an email to one of us: combsie@gci.net or sarah.combs2@gmail.com.

VIDEO IS STRONGLY PREFERRED OVER WRITTEN WORDS.

You can take a picture of any picture you want to share and text/email them to Sarah or me. If you have trouble, there are other options, call me on my cell: (907) 231-4759

Please do this by Wednesday, June 9th. This will be an arduous process so it's important to have enough time to create the video.

Thank you for helping with this. I will send details about the memorial as soon as they are complete. It will be at Trinity Presbyterian Church.

Thank you,
Carol Combs

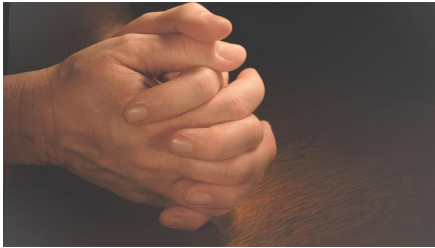

Congratulations, Miranda!
